

2018 Langdon Fall Festival

SATURDAY, SEPTEMBER 22, 2018
10AM-3PM
****PLEASE RETURN BY 9/15/2018 TO**
RESERVE YOUR BOOTH SPACE**

Located in the center of historic Langdon, NH at the junction of Village Rd, Holden Hill and Walker Hill, just off route 123.

Food and Snacks are available. Restroom facilities onsite.

- Spaces will be allocated on a first come first serve basis. Spaces are 10' x10'. Larger spaces are available if necessary. Setups (tents, tables, etc. are the responsibility of the vendor. There is no electricity available. Most spaces will be on pavement so plan accordingly for setting up tents.
- The fair hours are from 10 AM to 3 PM on Saturday. Check in is between 7:30 and 9:30 am on Saturday morning. If you are not able to come **the day of the fair**, we would appreciate a phone call 603-499-3114 (Andrea's cell#). If you need to leave early, you must let us know ahead of time.
- For new vendors: a picture and/or description of your art, craft or product must accompany your application. Vendors are subject to approval by the Fair Committee. The products you are selling must be handcrafted in some way by you. Although we do enjoy going to "Flea Markets" ourselves, this fair is not a "Flea Market". We do allow from time to time some vendors that do not handcraft their items, but only because they fit into our theme of a New England Fair. If you do not hear from us before the festival you are in, due to the volume of applications and a very busy life we do not always find time to call each applicant, please feel free to call and check up on your application.
- All applications must list in general terms (wood, painting, quilts etc.) all the products you intend to sell. This is for your own benefit as well as others so we will not place you next to other vendors selling the same product.
- Fee: **\$25 or product donation** of comparable wholesale value to be included in the raffle. All donations will be acknowledged at the Fair. For vendors 16 years old and younger a donation of your product will cover your booth space.
- The parking situation for this event is very limited. In the morning while you are unloading your materials you can park along your tent site but you must move your vehicle after you are through unloading. All vehicles must be removed from the area by 9:30. Vendor parking is available at the Parish House and at the Congregational Church. If you need someone to watch over your booth while you are moving your car we will be happy to help. While unloading, no vehicle can be unattended. Vehicles must be able to be moved in the event of an emergency. Please call us in advance if you will have any special needs for moving your craft material. We will be happy to help!
