

Stokes Scholarship

Dear Stokes Applicant and Parents:

Attached is the application for the Stokes Scholarship. A Langdon resident for over 30 years, Samuel Stokes endowed this scholarship fund for residents of Langdon who are enrolled in full-time undergraduate study. To be eligible for this scholarship you must have been a resident of Langdon as of August 1, 2017. Students entering college for the first time in the fall of 2018 must be in the top half of their graduating class for High School and submit two letters of recommendation (one from a teacher and one from a community member or employer). Returning students must have a GPA of 2.0 or higher. All students must submit an official transcript with their application. If your spring transcript is not available in time to meet the submission deadline, a transcript from the first semester may be submitted.

Because the number of applicants has increased and the funds available have decreased, this year's awards will be competitive and some applicants may not receive an award. The quality of your answers on this application is important. Be careful about spelling, grammar, and presentation.

Please complete the application and return it by May 30, 2018 to: Stokes Scholarship, c/o Town of Langdon, 122 NH Rt. 12A-Unit 1, Langdon, N.H. 03602. Applications must be complete and official transcripts must be furnished for all except first time applicants. First time applicants must include the two letters of recommendation listed above. Applications that are incomplete will not be considered by the committee.
